

The Blessing that
came true, by Donald
Green

So Supinda, it's
to the
one

A Blessing I who
inspired
wrote in a poem for
fruit

So Supinda, it's
a blessing I
wrote in a poem for
you - it's
beauty.

one would
you - fellow
poet

to kiss your days
arrive
may 10th
2011

one would arrive
indeed, you
other side.

Had you
learn
Sunday,
this one

has
COME!
this one
has come,
this man

and he enters with
an honesty
Important to
you!

And he
~~enters~~
with a way
to
speak to you,
the gift of

Communication?
well to others,
but to others
or not,

Senses you,
relate royally with
you,
may supinda my
original poems,
and this poem,

be shared by
your
two
remain as
a protective
man for you too

Dangerous our
world is

So along with Gods

Eyes
or lifes good side

my poem poems

Good Fortune For

you LOVERS,

I want to tell
you
some more—
but words cease

now,
but the meeting now

and the meeting ^{with you,} some
time
ago.

with a friend,
and the man who has
come
is ~~an~~ emotion,
thought.
